STROKAR INSIDE

A unique 5000m² urban art project made by 100 street artists. Our museum will host a course of mural paintings, conferences & events around street art and graffiti. STROKAR has the objective to organize cultural exchanges between artists from underprivileged countries & local ones in order to create a European and international Urban Art community.

Our Pop-Up Venue can host your event from 50 to 417 guests. STROKAR INSIDE offers a lot of event possibilities. With its 3 inspiring rooms from 800 to 1500 m², all equipped with a nice lightening atmosphere by Laser System Europe. Our venue is perfect to host your conference, exhibition, product launch, seminar, kick of meeting and a lot more... Our venue will be available from the 6th of September to the 31st of December 2018!

Technical Partner

LSE will assist you with the creation and production of any type of event related to your company, whether it is a product launch, office party or any other special event.

With an experience of more than 20 years in the event industry, LSE provides an unequalled know-how for a guaranteed everlasting memory of your event. LSE will help you from the very beginning of the creative process, always keeping an eye on the allocated budget, until the fulfilment of the project. Every concept they create is based on the initial request and the different technical constraints of the location & budget.

LSE can produce a large panel of event related techniques such as lighting, laser & video projections, water & pyro effects and many more!

Do not hesitate to challenge them, they love it!
